TEMPORARY SUSPENSION OF TRADING

Davictus Plc ("**Davictus**" or the "**Company**") announces that the Company is not in a position to publish its annual audited accounts for the year ended 31 December 2020 by close of business on 30 June 2021. The finalisation of the Annual Report and completion of the audit have been delayed primarily due to the impact of the global COVID-19 pandemic which led to the movement restrictions in Malaysia for some time, with the Malaysian government now having extended its Movement Control Order since beginning of June 2021. These restrictions have continued to hamper the completion of the Annual Report. However, it is presently anticipated by the Directors, having consulted with the Company's auditors, that the audited financial results should be published by no later than 31 July 2021. This delay will mean that the Company's Shares will be suspended from the Official List and from trading on the London Stock Exchange from the date of this announcement until such time as the financial results are published.

Accordingly, the Board has requested that the Company's ordinary shares be temporarily suspended from the Official List and from trading on the London Stock Exchange with effect from today's date, pending publication of the audited accounts, following which the Company will request the suspension be lifted."
